Meeting Name	Vlog 2 and Technical meeting
Meeting Facilitator	The 4 Codesmen
Meeting Details	October 22nd, 2022
Meeting Invitees	Favor, Dinish, Dhruv, Abraham
Minutes:	
Topic	Summary of Discussion/Decision
When to start coding and how to work with merging files	Team has decided November 3rd should be the official start date of coding if we have not started. We will work in teams of 2 on each feature. Discussed merge conflicts. we will work on separate branches and then confirm before we do our pushes.
Coding rules/structure for everybody	Dinish created a document with some rules for coding, ie variables(snake_case, function names(camelCase)...will be added to the top of each file for reference
GitHub/Git Pull	Favor gave a demo for everyone on how to properly pull/push with github from Visual studio code. create separate branches and not use the main branch
Creating branches	Favor created branches for our features so that we can start coding in separate branches from the main
Accounts for MongoDB	Favor gave us access to mongoDB so we could all access the database
